

C. REMARKS/ARGUMENTS

In the Response to Amendment dated October 18, 2004, the Examiner has noted that Applicant has failed to provide a complete listing of all pending claims in the application. The Examiner has noted that specifically, withdrawn claims 27-33 have not been provided.

In response, Applicant has hereby re-submitted in section B above the entire "Amendments to the Claims" section of Applicant's amendment document (which had been filed on October 4, 2004), including the entire text of the withdrawn claims, as requested in the Examiner's Response to Amendment.

Applicant believes that, with this re-submission, Applicant's previously submitted amendment document is now compliant with section 37 CFR 1.121(c), and meets all the requirements thereof.

An early and favorable action is therefore earnestly solicited. If there are any questions regarding these amendments and remarks, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Respectfully submitted,

Elizabeth E. Kim
